

Parents' Night Out

Parents' Night Out is a great way for kids to enjoy STEAM activities while you have a relaxing night on the town.

Drop your kids off at Zaniac where they will have fun exploring, building, creating and playing while learning math and engineering concepts. Our engaging instructors will be on hand to help your child while you enjoy an evening out.

Details:

- For kids in grades K-8
- 6:30pm – 10:00pm
- A light snack and drink is provided
- Price: \$24 per child
- Edison Club Members: One PNO per month is included with your membership
- Reservations required.
- Space is limited so enroll today

Myth Busting Night

May 6 & 20

Observe, measure, experiment and test with us. Zaniac's instructors will be guiding kids as they use the scientific method to bust popular myths through fun, hands-on experiments.

Wizardry Wonders & Spell-Binding Science

June 10 & 24

Calling all Tech Wizards. Cast a spell with your own magic wand designed on Tinkercad and printed on our 3D printers. Create a magic spell in Scratch and watch your animation change with Code. Harness your computational thinking in circuitry by using sensors in Tinkering to create your own spells. Revelio Zaniaco.

Art Attack

July 8 & 22

Channel your inner artist and let your creativity shine. Make your artwork sing, talk or play sound effects when they're touched using Makey Makey and Scratch. Make cool sound effects and tunes in GarageBand® and make your very own 'artbot' to take home.

Up, Up & Away

August 5 & 19

Ready, set, take off. Why do planes fly? We take a look at aerodynamics and propulsion and make our own planes in Kerbal Space Program. Experiment with gravity in Minecraft™ and understand Newton's Law with Balloon Rockets. Join us to see who can make the BEST paper airplanes ever.

Enroll online at ZaniacLearning.com/Asheville

Asheville Campus Hours
Mon – Fri 3:00pm – 7:00pm
