# Birthday Parties

**Zaniac**  
K-8 STEAM After-School Programs & Camps

Choose from one of our popular party themes or we can customize one for you!

### Create Magic in Minecraft!

Get inspired with Minecraft Magic! Make and race rollercoasters, complete an Everest challenge, and build together in the same world! Design and print your own axe, sword or creeper pendant in 3D!

### Building Engineers!

Develop engineering skills to build and launch catapults! Use Mindstorm EV3 Robot units and program your robot to complete an obstacle course.

### Blast Off to Space!

Explore the solar system and the International Space Station in Minecraft Galaxy! Plus, perfect the art of building rockets with our Kerbal Space Program.

### Zany Science!

Conduct cool science experiments! Enjoy the fun of making chemical magic, movie special effects, amazing bubbling potions, Zany slime, or a high-bouncing polymer ball!

### Or Customize Your Own Party!

Choose two of your child's favorite Zaniac STEAM Programs and we'll customize your child's Party!

- Build, Program and Compete with EV3 Robots
- Explore with Minecraft
- Design in 3D Printing
- Learn to Code in Scratch to make animations and games
- Tinkering in Electronics with littleBits
- Build Rockets with Kerbal Space Program
- Build & Fly Drones
- Create with Fashion Design
- And more!

### Zaniac Provides:

- Exclusive campus access for your child's private party
- Talented instructors lead a Technology-based party for your child and up to 20 friends!
- Printed party invites with envelopes
- Plates, cups, utensils, napkins & tablecloths
- Balloons for kids to take home
- Party & Gift table
- Zaniac Gift Bag for the Birthday boy or girl\*
- A Fun Party! (You bring the kids, cake & drinks!)

\*Additional Goody bags are \$4.99 per guest and include a cool Zaniac cinch bag, squeeze ball, bookmark, sunglasses, pencil, water bottle & more!

**"Hands down one of the best places to have a Birthday Party! The kids had tons of fun and they all learned something. The staff was wonderful and really know how to teach and handle a group of 8 year olds."**

- Micky Craig
