

Computer Programming: Intro to Blockly

zaniac
K-8 STEAM After-School Programs & Camps

Kickstart your journey into the world of code!

Learn the language of the 21st century. With some help from Dash Bot and our amazing Zaniac instructors, discover the basics of coding using Blockly.

For grades K-5 • Tuition: \$249

- Use Blockly's visual & intuitive way to learn how to code & program Dash Bot to move around your custom-designed course
- Use interlocking, graphical blocks to represent code concepts like sequencing, logical expressions & loops
- Make emojis & gifs to express emotions & ideas
- Develop critical-thinking & problem-solving skills with game-based coding challenges
- Classes meet 90 minutes once a week for six consecutive weeks
- Enjoy low student to instructor ratio of 5:1
- Receive personal progress emails from your Zaniac instructor after every class
- Collaborate with friends in a fun & high-tech environment
