

Edison Club

An extended-day program that nurtures your child's love of math and technology

For working parents looking for a **more enriching alternative to after-school care**, Zaniac's

Edison Club provides an **engaging mix of fun and structured math and technology activities** that kids absolutely love. Each day at Edison Club begins with **homework center**, where Zaniac's engaging instructors work with your child to get the day's homework done. Students then participate in a structured activity - like **building a robot, or programming a music video** -

where they learn how much fun math and technology can be.

Each Edison Club day ends with group games, giving your child an opportunity to unwind

from a busy day while they wait for pickup (any time before 6:30 PM).

Edison Club Features

- ◆ Homework center help in any subject from knowledgeable instructors
- ◆ A structured technology-related activity each day
- ◆ Guided strategy games and play activities that are relaxing and fun
- ◆ Up to ten hours of additional homework center time per month
- ◆ Significant discounts on Zane Math and other Zaniac Programs
- ◆ Buddy passes
- ◆ \$200/month for one day per week, \$250/month for two days per week. Snacks are welcome

programs, up to 10 hours of drop-in homework help per month, buddy passes for their friends, and discounts for family members.

Zaniac is a place where your child will learn to love learning, and **build confidence and academic advantage** in STEM subjects (science, technology, engineering and math), which are so vital to each child's success in today's changing world.

Zaniac's Edison Club members receive **many valuable added benefits, including deep discounts** on all Zaniac math and technology
